(\*) All exams taken after this date where the 48 ECTS requirement has been attained will be listed under "Sonstige Studienleistungen". The calculation of the Final Master Grade only considers the compulsory area and the best graded 30 ECTS of the first 48 ECTS completed of the elective modules!

$$\text{Master's Grade: } \frac{10 \cdot 1,0 + 30 \cdot 1,3 + 10 \cdot 1,7 + 6 \cdot 2,3 + 6 \cdot 2,3 + 6 \cdot 1,0 + 10 \cdot 1,3 + 6 \cdot 1,7 + 5 \cdot 1,7 + 3 \cdot 2,0}{62 + 30} = \frac{137,3}{92} \approx 1,4 \text{ (rounded down)}$$
